### Federal Railroad Administration

[Docket Number FRA-2017-0017]

### Petition for Extension of Waiver of Compliance

Under part 211 of title 49 Code of Federal Regulations (CFR), this document provides the public notice that on July 29, 2022,<sup>1</sup> Norfolk Southern Corporation (NS) petitioned the Federal Railroad Administration (FRA) for an extension of a waiver of compliance from certain provisions of the Federal railroad safety regulations contained at 49 CFR part 236 (Rules, Standards, and Instructions Governing the Installation, Inspection, Maintenance, and Repair of Signal and Train Control Systems, Devices, and Appliances). The relevant FRA Docket Number is FRA-2017-0017.

Specifically, NS requests a waiver extension from § 236.566, *Locomotive of each train operating in train stop, train control or cab signal territory; equipped*, for: (1) all operations between and including the limits of control point (CP) Bright at mile post (MP) PC 28.2 and CP West Conway at MP PC 24.5; and (2) all movements on the Fort Wayne Line Tracks #1 and #2, both to and from CP Rochester, at MP PC 25.9 on the Cleveland Line, CP Bright on the Youngstown Line, and the yard tracks at East Conway. In support of its request, NS states that any movement directed by this relief will be at restricted speed and an absolute block will be established in advance of each movement.

A copy of the petition, as well as any written communications concerning the petition, is available for review online at [www.regulations.gov](https://www.regulations.gov).

<sup>1</sup> On October 13, 2022, NS submitted a revised petition. Both the original and revised petitions are available in the docket (<https://www.regulations.gov/document/FRA-2017-0017-0007>).

written views, data, or comments. FRA does not anticipate scheduling a public hearing in connection with these proceedings since the facts do not appear to warrant a hearing. If any interested party desires an opportunity for oral comment and a public hearing, they should notify FRA, in writing, before the end of the comment period and specify the basis for their request.

All communications concerning these proceedings should identify the appropriate docket number and may be submitted at <http://www.regulations.gov>. Follow the online instructions for submitting comments.

Communications received by **[INSERT DATE 60 DAYS AFTER DATE OF PUBLICATION IN THE FEDERAL REGISTER]** will be considered by FRA before final action is taken. Comments received after that date will be considered if practicable.

Anyone can search the electronic form of any written communications and comments received into any of our dockets by the name of the individual submitting the comment (or signing the document, if submitted on behalf of an association, business, labor union, etc.). Under 5 U.S.C. 553(c), the U.S. Department of Transportation (DOT) solicits comments from the public to better inform its processes. DOT posts these comments, without edit, including any personal information the commenter provides, to [www.regulations.gov](http://www.regulations.gov), as described in the system of records notice (DOT/ALL-14 FDMS), which can be reviewed at <https://www.transportation.gov/privacy>.
